

**Just
a few
seconds®.**
Remember, children need
constant watching.

Local 493

© 1990 Phoenix Fire PAL Organization

In January, 1994, the City of Phoenix proclaimed 1994 as Firefighters' Save-R-Kids Year. More children die from injuries than from all childhood diseases combined. To stop this killer, labor, government and business have joined forces to ensure that children are taught critical lifesaving skills.

- ▲ Drowning awareness
